# Untitled doc

Press '/' for options or start writing

## Choose a starting template

- Retrospective Summary
- Product Brief
- Research Synthesis
- Meeting Notes

# Flowchart

Create a flowchart using Miro Diagrams

Tip

## Use a documented process or flow as an input to create a visual flowchart

1. Bring the documented process that you want to visualize into the document
2. Describe any other details you want in the  prompt box
3. Hit run to generate your flowchart
4. Adjust the diagram as needed and add colors and styling

*Adjust the prompt for best results*

# Flowchart

Create a flowchart with AI and iterate and style it using Miro Diagrams

Tip

## Use the prompt to create a flowchart with AI and then you can iterate on it and style it as needed

*Adjust the prompt for best results*
